From INR39032 Price per person

Overview:

Enjoy four unforgettable days in Doha, exploring its rich culture, thrilling desert landscapes, interactive museums, and scenic coastline.

Itinerary:

Day 1: Gateway to Doha

When you arrive at Hamad International Airport, our professional chauffeur will greet you warmly. You'll see them holding a sign with your name to help you find them easily. You'll then be driven comfortably to your hotel and dropped off safely.

Optional: Souq Waqif Traditional Market Tour for 4 hours

Souq Waqif means "standing market" and is one of Doha's most famous and traditional places. It's built on an old trading area and has shops made with traditional mud walls and narrow streets that give it a true local feel. You can walk through and explore many stalls selling spices, perfumes, clothes, jewelry, souvenirs, and handmade items.

The souq is lively with street performers, art galleries, and cultural shows. There are also many cafés and restaurants where you can try Qatari, Middle Eastern, and international food. At night, the market looks beautiful with colorful lights and delicious smells, creating a warm and memorable experience. You also have optional dinner option at a local restaurant (Al Bandar or Abo Shariha)

Day 2: City pulse & Desert Rush

Morning: 4 hours Doha City Discovery Tour – Culture, Coastline & Landmarks

Your day starts with a hotel pickup by your English-speaking chauffeur. First, visit the National Museum of Qatar to learn about the country's history, culture, and growth. Then enjoy a drive along the Doha Corniche, where you'll see wooden dhow boats and the city's modern skyline.

Next, visit Katara Cultural Village, a center for Qatari art and culture. Then continue to the colorful Mina District, famous for its pastel-colored buildings and marina views. You'll also explore Lusail City, Qatar's new modern city, and take a quick photo stop at The Pearl Qatar, a beautiful man-made island.

After the tour, return to your hotel to relax and get ready for your exciting afternoon adventure.

Afternoon: 4 hours Desert Safari Adventure – Dunes, Sunset & Inland Sea

In the afternoon, your English-speaking safari expert will meet you at the hotel. You'll then go for a scenic drive to the Sealine Desert area. Here, you can ride a camel or take photos with a falcon (optional at extra cost).

Then, enjoy an exciting dune bashing ride in a 4x4 vehicle across the sand dunes. You'll stop at the Inland Sea, where the desert meets the ocean — a perfect spot to watch the sunset and take beautiful photos. After the adventure, you'll return to your hotel for a good night's rest.

Day 3: Fun Museums and Evening Cruise

Morning: 4 hours tour Museum of Illusions & Olympic Sports Museum

Your chauffeur will pick you up from the hotel and take you to the Museum of Illusions, where you'll enjoy fun and exciting exhibits like optical illusions, holograms, and 3D displays. This museum is great for photos and interactive learning.

Then visit the Qatar Olympic and Sports Museum, a modern place where you'll learn about Qatar's sports history and Olympic achievements. There are fun interactive displays where you can try different sports and games.

After the tour, you'll be dropped back to the hotel to relax and get ready for the next part of your day.

Afternoon: 4 hours Mosque Visit & Dhow Cruise

In the afternoon, your chauffeur will meet you at the hotel and take you to visit the Imam Muhammad ibn Abd al-Wahhab Mosque, also known as the Grand Mosque. It is the largest mosque in Qatar and is known for its beautiful design and peaceful atmosphere. Here, you'll learn more about the role of Islam in Qatari life.

After the mosque visit, you'll go to the Doha Corniche, where a traditional double-decker dhow boat will take you on a 2-hour cruise along Doha's coast. You'll see famous places like West Bay, Katara Cultural Village, and The Pearl Qatar.

You can relax on the open top deck or in the air-conditioned lower deck. The boat offers free drinks (tea, coffee, juice, water) and has seating areas, a sound system, and clean restrooms with a shower.
